Go cloud watching

Clouds are made of tiny droplets of water and can be found in all sorts of shapes and sizes. Take a look out your window, or look up when you're out for a walk. What clouds can you see?

Draw the clouds you can see here:

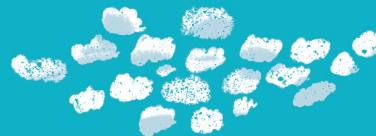

Put a tick next to the clouds that you can see:

Cumulus

☐

Cirrus

☐

Alto

☐

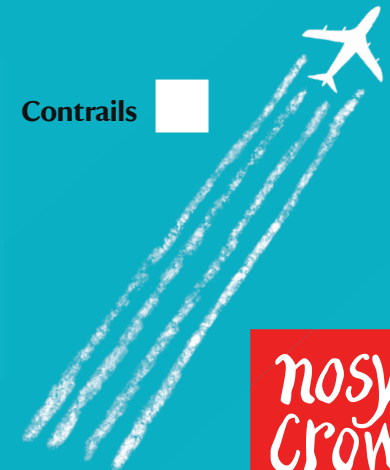

Stratus

☐

Nimbus

☐

Contrails

☐

Watch a bird

Birds can be found everywhere and there are lots of different ones to see.
Can you spot any in your garden?

Draw the bird you are watching here:

Write about the bird here:

*How do they fly and what colours are they?
Listen closely for their singing – what kind of noise do they make?
What do you think they are saying?*

Create some wild art!

Use leaves, sticks or anything you can find to create a work of art!
You could also use pens and pencils to create a nature-inspired drawing.
